Re: Please support HB 7054, An Act Concerning Keno
Date: Apr. 13th, 2015

This letter is in regards to supporting HB 7054. This bill is important to my business because it would create revenue and jobs for my establishment. I often travel to Massachusetts so I can sit down, relax, have a drink and play some KENO in an adult atmosphere. I also think that it will bring income to the state of Connecticut for better schools, libraries, roads etc...etc...

Sincerely,
