Re: Please support HB 7054, An Act Concerning Keno
Date: 4/9/2015

My name is Tom Kipphut I am a lifelong resident of Stamford Connecticut I am the owner of Fiddlers Green 280 Shippan ave Stamford Connecticut
I think the idea of Keno HB7054 would help the bar/Restaurant business. The last 10 years is been a lot of things to help different businesses in Connecticut
There has been nothing done to help small-business owners as myself. It would bring all different people into my business to have lunch or dinner and if it's handled right it would be fun and hopefully it would put a smile on peoples faces it would be nice to see everyone win . Please vote yes
Thank you Tom Kipphut
