

To Whom It May Concern:

The stadium which will be home to the Hartford Yard Goats is being built in Hartford. Connecticut residents were **promised** that **no state taxpayer dollars** would be spent on this project.

Now it sounds like there is a bill that has been proposed which could break that promise. I do NOT WANT TO **divert state tax revenue – your tax dollars - to help pay for the Hartford stadium.**

There is a perfectly good stadium in New Britain, Ct. One does not need to be built in Hartford let alone with my TAX DOLLARS!!

*Sincerely,
Andrea Adams*
