My tax dollars are NOT to be diverted to Hartford's baseball stadium. Since the promise was made by Malloy that no state dollars would be used for this stadium, I expect all of you in our state legislature to uphold that commitment. This sets a bad precedent for the future, along the lines of "Well, you did this for Hartford, what about my <pick a name> project?"

No thanks folks. The Rock Cats, New Britain and the city of Hartford made this happen. It's up to them to deal with the financial challenges.
