

From: Richard E. Ameika  
Town: Vernon

Testimony:

I want to see the promise that "no state tax dollars will be spent to support the Hartford stadium"  
KEPT!!

It is just incomprehensible that a bill be proposed to reimburse the tax on ticket sales or for that matter  
give some sort of exemption to Hartford for the tax!

It is nothing short of 'slight of hand', 'pull the wool' over the citizens of Connecticut.

You are insulting our intelligence!!!

Do not do it!!
