

Hi CT Legislation, we have that much state money to spend on a stadium?? So we'll drive over inferior pot hole roads and bridges to get there, assuming everyone agrees this stadium is the answer to CT's revenue. Really?? Easy for you to open the valve and spend the money we have worked so hard to earn. It's dispectable!! We're moving with our hard earned money, as soon as we can sell our home anyways. Hope you wise up soon for the rest of the folks.
