RE: HB: 6998, Section 3, and Section 8

I am John E. Hibbard of 1072 Gilead Street, Hebron, Connecticut and am submitting the following testimony on my own behalf.

I have spent over half a Century beginning in 1963 to date in the acquisition and protecting lands as State Forests and State Parks and other lands for conservation purposes.

During this period I have spent considerable efforts in protecting these lands from encroachment for other uses.

I wish to go on record as being Strongly Opposed to Sections 3, and 8 of HB 6998 in particular as well as items included in Section 14 and Section 15.

These areas of lands protected by the Department of Energy and Environmental Protection should be subjected to a more detailed public process than simply being included in the customary Conveyance Act passed by the General Assembly.

I urge the Committee to reject the provisions of Section 3 and Section 8 in entirety.

Respectively,

John E. Hibbard
