Subject: Conveyance Act (HB 6998) TESTIMONY

I FIRMLY and utterly oppose Section 3 and Section 8 of Conveyance Act (HB 6998).

Section 3:

Silver Sands State Park is a valuable piece of habitat in an area of CT coastline that is SEVERELY lacking natural coastal habitat. This park is already small as it is, and any further destruction of its lands would be detrimental to the surprising diversity of wildlife that use the park to survive. Please do not give away these 4+ acres for "municipal purposes" to the town of Milford.

Section 8:

A large tract of watershed land (100+ acres) is vastly important to this region, which also suffers from over-development. DO NOT SUPPORT THIS.
