To whom it may concern:

I am sending this email to object to a provision in section 3 of HB 6998 that would convey four acres from the Silver Sands State Park to the City of Milford for "municipal purposes." Having served for a year and a half as interim pastor of First United Church of Christ, Congregational, in Milford, I occasionally visited this state park and enjoyed both its beauty and the ongoing conservation efforts to protect the park's ecology. Any use of this land for "municipal purposes" (whatever those purposes might be) would not be consistent with the reasons for the existence and preservation of Silver Sands State Park. I urge participants in the hearing on this bill to delete Section 3 from the bill.

Sincerely,  
(Rev.) Douglas Clark
