

Dear Judiciary Committee Members:

As I watched the testimony of Dr. Linda Smith, Representative Minnie Gonzalez asked if she charges for "thinking" and if she knew that custody evaluators charge for "thinking". Here's an email thread including Dr. Sidney Horowitz stating that he does in fact charge families, or at least me for his thinking.

This is out of control and it needs to stop.

Please pass HB 5505.

Thank you,
Jerry
