Subject: I oppose bills SB00650, HB06962, HB06848

I oppose bills SB00650, HB06962, HB06848

I oppose these bills for multiple reasons, but one really stands out and that is its unconstitutional. Your are trying to go against the 2nd amendment and the 5th amendment when trying to purpose these bills, and for ct being the constitutional state should stand by the constitution.

Hopefully this short message can help in any way
