Subject: Senate Bill 650, House Bill 6848 and House Bill 6962.

I would like for the committee to consider what they are doing. Is this an action or a reaction. If there are laws on the books to punish people for doing wrong, then lets pass a law that says to enforce these laws. Why pass more laws just to pass more laws, especially when these laws will infringe on the innocent people and on constitution rights.

I am for enforcing laws, not passing more laws.
