Subject: Bill 7015

Sirs,

I'm old, 72.....Everyone currently believes life is a gift, so is suffering. You don't choose when to be born, neither should it be your choice when you die. Or worse yet, someone else's misbegotten way of helping you to die. Hospice care can take away the pain.....

Please do not pass this bill and ask doctors to help me end my life. That's murder!

Jean Merz, 144 Phoenix St, Vernon, CT
