

BREAK THE SILENCE / STOP DOMESTIC VIOLENCE

THE TIANA ANGELOU NOTICE MEMORIAL FOUNDATION

March 16, 2015

Dear Connecticut Legislators,

I am writing to voice my complete and total support for the **Proposed S.B. NO. 651 Bill and Raised H.B. No 7005 bills**. As you might recall, I lobbied to impose the “GPS system in Connecticut upon the vicious murder of my wonderful daughter, Tiana Angelique Notice in 2009.” Our family has seen how the proposals that I lobbied for in 2009 have been a great asset and help for Victims of Domestic Violence.

These additional proposals will serve to enhance such changes and also possibly, save lives. We were not able to save my daughter because of a lack of uniform statewide policies and indifference demonstrated by certain police Officers in several counties/departments. But, it is our sincere hope that these agencies have learned from their blatant mistakes and take this most horrific of problems seriously and help to eliminate this scourge that threatens to demean and demolish our society.

[Proposed S.B. No. 651- AN ACT CONCERNING A TEMPORARY HOLD FOR CERTAIN FAMILY VIOLENCE ARRESTEES.](#)

To provide victims of domestic violence who may be in immediate danger with a significant, set period of time to make provisions for their safety.

[Raised H.B. No. 7005- AN ACT CONCERNING DOMESTIC VIOLENCE OFFENDER PROGRAM STANDARDS AND INCREASED PROTECTIONS FOR VICTIMS OF DOMESTIC VIOLENCE.](#)

So, yes, indeed I am 110% in favor of the proposed bills. Thank you very much.
