Subject: Testimony in Support of House Bill 7015

Ladies and Gentlemen,

I am writing in support of House Bill 7015, "An Act Concerning Compassionate Aid in Dying for Terminally Ill Patients".

This legislation is desperately needed in our State. We have, at this time, two choices when it comes to terminal illness: Death as you have no choice but to endure it, or uproot your life in the little time you have left to move to a state which provides the services you need.

We must change. We must offer to those needlessly, cruelly suffering a terminal illness the right to die on their own terms, in their own homes, and with our support.

Thank you, sincerely, for your attention,

Signed,

Jessica Phaneuf
