Many people are going to be upset if this bill 668 becomes law. There is no Doctor who is infallible. Who answers to our Creator. Peter V. Scalzo

Subject: Assisted Suicide Bill Public Hearing: How You Can Testify

On Wednesday, March 18, the legislature's Judiciary Committee will hold a hearing on Bill 668 which would make assisted suicide legal in Connecticut.

Bill 668 would permit doctors to legally prescribe a lethal dose of medication to patients with less than six months to live.

I feel that Bill 668 would set a dangerous precedent for the way life is treated in Connecticut.

Lawmakers should instead be focusing on increasing access to hospice care, adequate staffing in nursing homes and required training in pain management.

Here's how you can tell state legislators how you feel about this proposal:

- 1) Email your testimony Bill 668 as soon as possible to JUDtestimony@cga.ct.gov
- 2) The email may be as brief as you like.
- 3) Put "Senate Bill 668" in the email's subject line.
- 4) Copy me on the email at Michael.McLachlan@cga.ct.gov .
- 5) Share this information with others

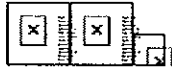

I am a member of the Judiciary Committee and will be at the hearing, which should last all day at the Legislative Office Building in Hartford.

Please feel free to contact me with questions about the hearing at 860-240-0068 or at

Michael.McLachlan@cga.ct.gov .

Thank you.
