**In Opposition to Raised House Bill 7015 AN ACT  
CONCERNING AID IN DYING FOR TERMINALLY ILL  
PATIENTS**

Please oppose the passage of this bill 7015.

The arguments I have heard in support of assisted suicide in CT are eerily similar to the arguments which were used to support government sanctioned suicide in Nazi Germany. The proverbial "Slippery Slope" well describes the outcome there where 200,000 disabled or mentally ill citizens were then euthanized.

See this report for some history on this subject:

Thomas Jefferson said – as quoted on the Jefferson Memorial:

“God Who gave us life gave us liberty. Can the liberties of a nation be secure when we have removed a conviction that these liberties are the gift of God? Indeed I tremble for my country when I reflect that God is just, that His justice cannot sleep forever.

Life is God’s gift and liberty is God’s gift. When the government gets involved in assisting in the taking of life, free citizens will begin to indiscriminately loose both, LIFE and LIBERTY!
