Subject: Opposition to Raised Bill No. 7028

I oppose the Raised bill No.7028 "AN ACT CONCERNING THE DEPARTMENT OF CORRECTION, ACCESS TO THE FIREARMS DATABASE BY PAROLE OFFICERS, AND PRESENTATION OF A CARRY PERMIT" because I feel this is just another attempt to harass law-abiding gun owners and to dissuade any future gun ownership. Do Law enforcement officers stop people at random that they see leaving a package store after purchasing alcohol or someone that looks under 18 that is smoking a cigarette asking to see their identification? This law is reminiscent of Nazi Germany where they marked the Jewish people so they could easily identify and harass them. The State of CT allows for the open or concealed carry of a firearm so if it legal to do so then why, in the course of my daily routine, should I have to show my permit if I am doing nothing illegal? A constitutional right granted by the State and Federal governments should allow me to go about my daily business without fear of being stopped and being made to feel like I am doing something criminal when I have not done anything wrong. Thank you for taking the time to read my testimony
