**To:** JudTestimony  
**Subject:** SB 650

Please, please, please. SB 650 is a violation of our Constitutional right to due process. Please remember that the Constitution and the freedoms it provides and guarantees is what made this country the great country we once were. Please realize that the further we stray from the Constitution, the worse things get. Please uphold your oath to abide by and protect the Constitution and the rights of the people that you have sworn to serve.

Sincerely;

John T. Aliberti
