

Dear Representatives about Bill 1064 to make it legal for kids to use medical marijuana:

My name is Mary Fink and Cyndimae is my cousin Susan's baby girl.

We are a very close family, and Sue is one of my best friends. Her other daughter Catie is like my little girl.

In August I lost my mom, and four months later, I lost 4 more members of my family as they moved to Maine to save Cyndimae. I miss our full house Sunday family dinners where we struggle to fit in one room.

Laws that break up families are unjust laws. Please put my family back together.

Thank you.

Mary Fink
