**Subject:** Raised Bill No. 1067

I am in favor of passing Bill No. 1067 giving birthparents the right to obtain copies of the legal document they signed terminating their rights to their children. People are given copies of all legal documents they signed -- purchase agreements, mortgages, leases -- but we were not given copies of our legal documents.

Please help correct this oversight now.

Thank you,  
Karen Ramsey Waggoner
