

TESTIMONY BEFORE THE CHILDREN'S COMMITTEE

IN SUPPORT FOR: HB 5653 AN ACT CONCERNING CHEMICALS OF HIGH CONCERN TO CHILDREN

As a long supporter for environmental issues and as past Chair of the Milford Environmental Concerns Coalition,

I do believe this Bill HB 5653 trumps all previous environmental bills. We are talking about the protection of the

health of our future generation. To pass this bill, what an opportunity for this Committee to make history and change the

paradigm protecting the health of all children.

Thank you in advance for your support for all children.
