HB 6722 AN ACT CONCERNING CONCUSSIONS IN YOUTH ATHLETICS

CABE urges you to clarify the definition of “youth athletic activity” in HB 6722, An Act Concerning Concussions in Youth Athletics, to avoid duplication with the legislation adopted in 2014 pertaining to interscholastic athletics. It is our understanding that this bill is intended to apply to non-school related activities, therefore this clarification is important to avoid confusion.

Thank you for your attention to this issue. We look forward to continuing to work with you to ensure the safety of student athletes.
