RE: H.B. No. 6897 (RAISED) AN ACT CONCERNING THE APPLICATION OF PESTICIDES AT STATE-OPERATED PARKS, ATHLETIC FIELDS AND PLAYGROUNDS.

Dear Children's Committee Members,

Please support and protect our children by passing HB #6897.

We don't allow pesticides on school properties grades K-8. It clearly makes sense to extend this protection by including the many places our children run, play, and participate in sports.

Chemical and pesticide exposure is dangerous for our children and our pets. This is a common sense law. Please work to pass this important bill!

Thank you.
