Testimony in Support of HB 6943
Planning and Development Committee
March 6, 2015

Good Morning Chairpersons Osten and Miller, Ranking Members Aman and Linares, and distinguished members of the Planning and Development Committee. I appreciate the opportunity to testify in support of **House Bill 6943, AN ACT DELAYING MUNICIPAL TAX REVALUATION DEADLINES.**

The town of North Stonington has yet to see a complete recovery of its housing market and at the current time does not anticipate any substantive changes in the value of homes. If the town were to go out to bid, the estimate of that cost would be around \$54,000 and it would simply verify the fact that the total value of homes in North Stonington is the same as it was at the last revaluation.

I appreciated the committee's time in considering this bill and urge your support for it. Thank you.
