

My name is Beayanka Pinckney Naraine I'm a hartford parent with two children who live in the city of Hartford.

I'm writing this testimony in support of bill HB6863. I was with the D. Glanville's wife at MLK Jr. Day celebration at the Ct Historical society. I will never forget the call his wife received from her husband regarding the west hartford police crossing over into a Hartford neighborhood to question my friend about what he was doing in the neighborhood what everyone else was doing that day shuffling out his driveway. He was singled out because he was a black male what happened to live in an affluent neighborhood in Hartford's west end.

I was outraged at this unfair treatment by the west hartford police department. I want to lend my support and testimony by supporting this bill.
