VACCINATIONS

Senator Terry Gerratana, Representative Matt Ritter and members of Public Health Committee. My name is Katherine Zigmond, I am a concerned parent and I am writing testimony against HB 6949.

I oppose bill HB 6949 because it violates my First Amendment right to free exercise of my religious beliefs. Parents should not be required to sign an incriminating statement in order to claim their legal right to a religious exemption. Please vote against this bill.
