

SB 590

February, 19, 2015

Public Health Committee
Connecticut General Assembly
Legislative Office Building 3000
Hartford, CT 06106

Dear Committee Chair,

I write to you in the capacity of General Manager of the Innis Arden Golf Club Inc., As a member of the Connecticut Club Managers Association, I would like to add my support to the letter that you have received from our Association President Warren Burdock.

It has come to my attention that this coming Friday, February 20, 2015, The Public Health Committee will hold a public hearing in regards to bill SB No.590 to permit the commercial use of Sous Vide. As hospitality and culinary professionals, we strive to give our members the best quality experience, as well as include the latest developments in our industry. The Sous Vide art of cooking is widely used in New York State and others and has proven to be a safe and reliable way to prepare many foods. If passed, our segment of the food industry can benefit from this successful process.

If you require any additional material to support our request please let me know. Thank you in advance for your assistance.

Sincerely,
