

SB 590

February, 18, 2015

Public Health Committee
Connecticut General Assembly
Legislative Office Building 3000
Hartford, CT 06106

Dear Committee Chair,

I write to you in the capacity of the President of the Club Chefs of Connecticut, Inc. and Executive Chef of GlenArbor Golf Club. I would like to add my support to the letter that you have received from the Association President Warren Burdock.

It is my hope that the committee passes SB No.590 at the hearing this Friday, February 18, 2015. As an Executive Chef, we strive to give our members the best quality experience, as well as include the latest developments in our industry. The Sous Vide art of cooking is widely used in New York State and others and has proven to be a safe and reliable way to prepare many foods. With the approval of this bill on Friday, our segment of the food and beverage industry can benefit from this successful process.

If you require any additional material to support this request please let me know. Thank you in advance for your assistance.

Sincerely,
Carey Favreau
