

1089

To Whom It May Concern:

I am writing this letter in support of bill SB1089 sections 23-29, proposing licensure through the Department of Public Health for Board Certified Behavior Analyst. As a practicing member of the Behavior Analytic Community in the state it is of utmost importance and benefit that the practice of behavior analysts and its consumers be licensed. In doing so, this licensure will protect consumers and ensure delivery of authentic services.

I vote to support bill SB1089 (23-29)
