Re: SB 1089 An Act Concerning Mental Health Services

My name is Maria Elvia Carvajal a resident of Norwalk, Connecticut. I am writing in SUPPORT of SB 1089 An Act Concerning Mental Health Services (sections 23-29) for licensure of behavior analysts in the state of Connecticut. I am asking that the committee strongly pursue licensure of behavior analysts to ensure that individuals with mental illnesses and developmental disabilities are protected. If behavior analysts obtain a license it will increase consumer protection for the most vulnerable population of individuals in our community.

Please consider my written testimony in support of SB 1089 (sections 23-29)
