

1089

Hi,

My name is Marissa Nettleton. I am a special education teacher at applied behavior analysis based (ABA) school for students with autism in Milford, CT. The BCBAS play a critical role in supporting our students success and STRONGLY support the SB 1089 sections 23-29. Please pass this bill. The lives of students with autism and other disabilities and special needs need these services to promote their success and well being throughout life.

Thank you,
Marissa
