To Whom It May Concern,

My name is Meghan Byrne Harriman and I am a resident of Sandy Hook, CT. I have worked for the Newtown Public Schools and for the Kennedy Center in Trumbull, CT.

I have worked with individuals with many different disabilities and I have family members with different disabilities as well. I know how important it is for the people I care about to have access to the type of care they deserve. I strongly support that licensure be incorporated into the new regulations for families like mine to obtain private insurance funding for ABA services.

Thank you for your time.

Sincerely,

Meghan Byrne Harriman
