

1089

My name is Melissa Bautista and I have been a Connecticut resident for the past 25 years. For the past 2 years I have been working closely with Behavior Analysts and I respect the amount of work and dedication they put into treating children with special needs. I believe it is crucial that their licensure be recognized in the state of Connecticut. Therefore, I support SB 1089, sections 23-29. Thank you for your time.

Sincerely,
Melissa Bautista
