

1089

Hello,

My name is Yvonne Mora and this email is regarding SB 1089 sections 23-29. I am currently a resident of Hamden, CT and work in West Haven. As a teacher I have spent many years working with children suffering from autism. My experience has given me a great understanding of the unique needs of these individuals. For this reason I am in favor of SB 1089 sections 23-29 and sincerely hope the bill is passed as soon possible.
