Subject: House bill 6494

Hello Theresa,

I just wanted to let you know I am a young home owner in support of house bill 6494. I support this bill because of the damages my home has faced due to the Haynes companies blasting at their quarry off of route 8 in Seymour. I have tried to contact them numerous times without response, and have also been given the run around by everyone else I have talked to due to these outdated blasting specifications. I feel this bill would greatly help situations like this. Thanks.

Sincerely,
Tony Lenoci
