

PUBLIC SAFETY and SECURITY COMMITTEE HEARING MARCH 17,  
2015

Senator Larson , Representative Dargan and members of the committee, my name is Cameron Champlin, I represent Plumbers and pipe Fitters Local Union 777. This testimony is in support of SB-1090.

This bill would certainly be a win win for the State of Connecticut and it's citizens. It would provide employment opportunities and tax income for the state, not only from employees but also increase income revenue from gaming which we are fotunate enough to enjoy presently.

Thank you for the opportunity to testify on this important issue. Please vote to move this bill forward. If any more information is neede please contact me at camc@att.net or cell (860) 287-0020.
