AN ACT CONCERNING THE MUNICIPAL TAX COLLECTION STATUTES.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

Section 1. Section 12-144b of the general statutes is repealed and the following is substituted in lieu thereof (Effective October 1, 2015):

Except as otherwise provided by the general statutes, all payments made to or recovered by the municipality on any specific property shall be applied (1) first, for any outstanding unsecured taxes, to expenses concerning such unsecured taxes, including attorney's fees, collection expenses, [recording fees,] collector's fees and other expenses and charges related to all delinquencies owed by the party liable therefor before the interest accrued, then to the principal of such outstanding unsecured taxes, paying the oldest such tax first, and (2) for any outstanding secured taxes, first to expenses concerning such secured taxes, including attorney's fees, collection expenses, [recording fees,] collector's fees and other expenses and charges related to all delinquencies owed by the party liable therefor before the interest accrued, then to the principal of such outstanding secured taxes, paying the oldest such tax first. If there is litigation pending between
the municipality and the party liable for the oldest outstanding tax on such property concerning such oldest outstanding tax, such tax payment shall only be applied to the oldest outstanding tax on such property which is not involved in such litigation, provided this section shall not apply to tax payments tendered by third parties pursuant to contract or by operation of law. The municipality shall follow written instructions from a party liable for taxes on more than one property as to which property or properties a specific payment shall be applied. The municipality shall not be bound by any notation on or accompanying a payment that purports to be payment in full, proposes to waive any rights or powers of the municipality, directs application of the payment in any manner that contradicts any applicable statute or ordinance or is otherwise contrary to law.

Sec. 2. Section 12-146 of the general statutes is repealed and the following is substituted in lieu thereof (Effective October 1, 2015, and applicable to assessment years commencing on or after October 1, 2015):

Unless the context otherwise requires, wherever used in this section, "tax" includes each property tax and each installment and part thereof due to a municipality as it may have been increased by interest, fees and charges. If any tax due in a single installment or if any installment of any tax due in two or more installments is not paid in full (1) on or before the first day of the month next succeeding the month in which it became due and payable, or if not due and payable on the first day of the month, (2) on or before the same date of the next succeeding month corresponding to that of the month on which it became due and payable, the whole or such part of such installment as is unpaid shall thereupon be delinquent and shall be subject to interest from the due date of such delinquent installment. Except for unpaid real estate taxes the collection of which was, or is, deferred under the provisions of section 12-174, and any predecessor and successor thereto, which unpaid real estate taxes continue to be subject to the provisions of such deferred collection statutes, the delinquent portion of the principal of any tax shall be subject to interest at the rate of eighteen per cent per
annum from the time when it became due and payable until the same is paid, subject to a minimum interest charge of two dollars per installment which any municipality, by vote of its legislative body, may elect not to impose, and provided, in any computation of such interest, under any provision of this section, each fractional part of a month in which any portion of the principal of such tax remains unpaid shall be considered to be equivalent to a whole month. Each addition of interest shall become, and shall be collectible as, a part of such tax. Interest shall accrue at said rate until payment of such taxes due notwithstanding the entry of any judgment in favor of the municipality against the taxpayer or the property of the taxpayer. The collector shall apply each partial payment to the wiping out of such interest before making any application thereof to the reduction of such principal. If any tax, at the time of assessment or because of a subsequent division, represents two or more items of property, the collector may receive payment in full of such part of the principal and interest of such tax as represents one or more of such items, even though interest in full on the entire amount of the principal of such tax has not been received up to the date of such payment; in which event, interest on the remaining portion of the principal of any such tax shall be computed, as the case may be, from the due date of such tax if no other payment after delinquency has been made or from the last date of payment of interest in full on the whole amount or unpaid balance of the principal of such delinquent tax if previous payment of interest has been made. Each collector shall keep a separate account of such interest and the time when the same has been received and shall pay over the same to the treasurer of the municipality of the collector as a part of such tax. No tax or installment thereof shall be construed to be delinquent under the provisions of this section if (A) such tax or installment was paid through a municipal electronic payment service within the time allowed pursuant to chapter 203 for payment of such tax or installment, or (B) the envelope containing the amount due as such tax or installment, as received by the tax collector of the municipality to which such tax is payable, bears a postmark showing a
date within the time allowed by statute for the payment of such tax or
installment. Any municipality may, by vote of its legislative body,
require that any delinquent property taxes shall be paid only in cash or
by certified check or money order. Any municipality adopting such
requirement may provide that such requirement shall only be
applicable to delinquency exceeding a certain period in duration as
determined by such municipality. Any municipality shall waive all or
a portion of the interest due and payable under this section on a
delinquent tax with respect to a taxpayer who has received
compensation under chapter 968 as a crime victim.

Sec. 3. Section 12-146a of the general statutes is repealed and the
following is substituted in lieu thereof (Effective October 1, 2015, and
applicable to assessment years commencing on or after October 1, 2015):

Any municipality, as defined in subsection (a) of section 12-41, or
any district health department, formed under chapter 368f, may
withhold or revoke any license or permit, issued by such municipality
or district health department, to operate a business enterprise if any
taxes or water, sewer or sanitation charges levied by a water pollution
control authority or such municipality or, in the case of a district
department of health, by any constituent municipality of such district,
against any property owned by or used in such business enterprise are
delinquent and have been so delinquent for a period of not less than
one year.

Sec. 4. Subsection (b) of section 12-155 of the general statutes is
repealed and the following is substituted in lieu thereof (Effective
October 1, 2015, and applicable to assessment years commencing on or after
October 1, 2015):

(b) After demand has been made in the manner provided in
subsection (a) of this section, the collector for the municipality, alone or
jointly with the collector of any other municipality owed taxes by such
person, may (1) levy for any unpaid tax or any unpaid water or
sanitation charges on any goods and chattels of such person and post
and sell such goods and chattels in the manner provided in case of
executions, or (2) enforce by levy and sale, or levy and warrant, any
lien upon real estate for any unpaid tax or levy upon and sell such
interest of such person in any real estate as exists at the date of the levy
for such tax.

Sec. 5. Section 12-157 of the general statutes is repealed and the
following is substituted in lieu thereof (Effective October 1, 2015):

(a) When a collector levies one or more tax warrants on real estate,
he or she shall prepare notices thereof, containing the name of the
taxpayer, a legal description of the real property or citation to an
instrument in the land records, an assessor's map or another publicly
available document identifying the real property's boundaries, the
street address, if such real property has one, the amount of the tax or
taxes due, including any interest and charges attributable to the
property as of the last day of the month immediately preceding the
notice, a statement that additional taxes, interest, fees and other
charges authorized by law accruing after the last day of the month
immediately preceding the notice [have been added] are owed in
addition to the amount indicated as due and owing in the notice, and
the date, time and place of sale. The collector shall post one notice on a
bulletin board in or near the collector's office in the town where such
real estate is situated, if any, or at some other exterior place near the
office of the town clerk, which is nearest thereto; one shall be filed in
the town clerk's office of such town and such town clerk shall record
and index the same as a part of the land records of such town, which
recording shall serve as constructive notice equivalent to a lis pendens
for all purposes, and one shall be sent by certified mail, return receipt
requested, to the taxpayer and each mortgage, lienholder and other
encumbrancer of record whose interest is choate and will be affected
by the sale. Such posting, filing and mailing shall be done not more
than twelve and not less than nine weeks before the time of sale and
shall constitute a legal levy of such warrant or warrants upon the real
estate referred to in the notice. Such collector shall also publish a
similar notice for three weeks, at least once each week, in a newspaper
published in such town, or in a newspaper published in the state
having a general circulation in such town. The first notice shall be
published beginning not more than twelve and not less than nine
weeks before the time of sale and the last shall be published not more
than four weeks nor less than two weeks before such sale. He shall also
send by certified mail, return receipt requested, to the delinquent
taxpayer and to each mortgagee, lienholder and other encumbrancer of
record whose interest in such property is choate and will be affected by
such sale, a similar notice which shall not be required to list
information pertaining to properties in which the person to whom the
notice is directed has no interest. The notice shall be sent at least twice,
the first not more than eight nor less than five weeks before such sale
and the last not more than four weeks nor less than two weeks before
such sale. The notice shall be addressed to his or her place of residence,
if known to the collector, or to his or her estate or the fiduciary thereof
if the collector knows him or her to be deceased, or to the address, or
the agent of such person, to which such person has requested that tax
bills be sent. If there is no address of such person, or if no such agent is
given in the records of such town, the notice shall be sent to the place
where such person regularly conducts business or other address as the
collector believes will give notice of the levy and sale. If a person is a
corporation, limited partnership or other legal entity, the notice may be
sent to any person upon whom process may be served to initiate a civil
action against such corporation, limited partnership or entity or to any
other address that the collector believes will give notice of the levy and
sale. If no place of residence or business is known and cannot be
determined by the tax collector for any owner, taxpayer, mortgagee,
lienholder or other encumbrancer whose interest in the property is
choate and will be affected by the sale, in lieu of notice by certified
mail as provided in this subsection, the notice, together with the list of
mortgagees, lienholders, and other encumbrancers of record whose
interests in the property are choate and will be affected by such sale,
shall be published in a newspaper published in this state, having a

183 general circulation in the town in which such property is located at
184 least twice, the first not more than eight weeks nor less than five weeks
185 before such sale and the last not more than four weeks nor less than
186 two weeks before such sale.

187 (b) The collector may, for any reason, adjourn such sale from time to
time by causing public notice of such adjournment and the time and
place of such adjourned sale to be given either by oral announcement
or posting of a written notice at the time and place designated for the
sale in the notices of such sale. If the adjourned date is set for a date
more than three days from the date of the original or rescheduled sale
date, the tax collector shall provide a postage prepaid written notice of
the new time and place of the sale to the delinquent taxpayer and each
mortgagee, lienholder and other encumbrancer of record whose
interest is choate and will be affected by the sale.

197 (c) At the time and place stated in such notices, or, if such sale is
adjourned, at the time and place specified at the time of adjournment
as aforesaid, such collector (1) may sell at public auction to the highest
bidder all of said real property, to pay the taxes with the interest, fees
and other charges allowed by law, including, but not limited to, those
charges set forth in section 12-140, or (2) may sell all of said real
property to his municipality if there has been no bidder or the amount
bid is insufficient to pay the amount due.

205 (d) The collector shall post, at the time and place of the sale, a
written notice stating the amount of all taxes, interest, fees and other
charges authorized by law with respect to each property to be sold.
The tax collector may publish or announce any rules for the orderly
conduct of the auction and the making of payment by successful
bidders which are not inconsistent with the requirements of law. The
tax collector or the municipality may retain the services of auctioneers,
clerks and other persons to assist the tax collector in the conduct of the
sale and the cost of such persons paid for their services shall be added
to the taxes due from the delinquent taxpayer. If more than one
property is sold, the tax collector shall apportion all shared costs equally among all the properties.

(e) Within two weeks after such sale, the collector shall execute a deed thereof to the purchaser or to the municipality conducting the sale and shall lodge the same in the office of the town clerk of such town, where it shall remain unrecorded six months from the date of such sale.

(f) Within sixty days after such sale, the collector shall cause to be published in a newspaper having a daily general circulation in the town in which the real property is located, and shall send by certified mail, return receipt requested, to the delinquent taxpayer and each mortgagee, lienholder and other encumbrancer of record whose interest in such property is choate and is affected by such sale, a notice stating the date of the sale, the name and address of the purchaser, the amount the purchaser paid for the property and the date the redemption period will expire. The notice shall include a statement that if redemption does not take place by the date stated and in the manner provided by law, the delinquent taxpayer, and all mortgagees, lienholders and other encumbrancers who have received actual or constructive notice of such sale as provided by law, that their respective titles, mortgages, liens and other encumbrances in such property shall be extinguished. [Not] After such notice is published, and not later than six months after the date of the sale or within sixty days if the property was abandoned or meets other conditions established by ordinance adopted by the legislative body of the [town] municipality, if the delinquent taxpayer, mortgagee, lienholder or other encumbrancer whose interest in the property will be affected by such sale, pays to the collector, the amount of taxes, interest and charges which were due and owing at the time of the sale together with interest on the total purchase price paid by the purchaser at the rate of eighteen per cent per annum from the date of such sale plus any taxes and debts owed to the municipality that were not recovered by the sale and any additional charges under section 12-140, such deed,
executed pursuant to subsection (e) of this section, shall be delivered to
the collector by the town clerk for cancellation and the collector shall
provide a certificate of satisfaction to the person paying the money
who, if not the person whose primary duty it was to pay the tax or
taxes, shall have a claim against the person whose primary duty it was
to pay such tax or taxes for the amount so paid, and may add the same
with the equivalent precedence, rate of interest and priority as the tax
paid over other nongovernmental encumbrances but without
precedence or priority over any state or municipal tax lien or any tax
that was not yet due and payable when notice of the levy was first
published to any claim for which he has security upon the property
sold, provided the certificate of satisfaction is recorded on the land
records but the interests of other persons in the property shall not be
affected. Within ten days of receipt of such amounts in redemption of
the levied property, the collector shall notify the purchaser by certified
mail, return receipt requested, that the property has been redeemed
and shall tender such payment, together with the amount held
pursuant to subparagraph (A) of subdivision (1) of subsection (i) of
this section, if any, to the purchaser. If the purchase money and
interest are not paid within such redemption period, the deed shall be
recorded and have full effect.

(g) During the redemption period, the purchaser or the municipality
shall have a sufficient insurable interest in buildings and
improvements upon such property to insure them against fire and
other risk of physical loss, and may petition the Superior Court for the
appointment of a receiver or for other equitable relief if there shall be
imminent danger of damage or destruction thereto or imminent
danger of injury to persons or to other property resulting from
conditions thereon or on adjoining properties. The purchaser or the
municipality shall not be liable to any person, or subjected to forfeiture
of their interest, solely by reason of acquisition by the person of the tax
deed, for any condition existing or occurrence upon such property or
adjoining public sidewalks and streets, or for any failure to act to
remedy or investigate any such condition or occurrence during such
redemption period. The expenses of any receiver appointed on the
application of such purchaser or municipality in excess of any rents or
profits paid to the receiver, all taxes and debts owed to the
municipality that were not recovered by the sale, and any additional
charges under section 12-140 shall be added to the amount of the
purchase money and interest required to be paid by any person to the
purchaser or municipality for the collector's deed and paid to the party
that incurred such expenses.

(h) Any municipality holding a lien for unpaid taxes on real estate,
other than the municipality conducting the sale, may purchase all of
such property at a tax sale.

(i) (1) If the sale realizes an amount in excess of the amount needed
to pay all delinquent taxes, interest, penalties, fees, and costs, the
amount of the excess shall be held in an interest-bearing escrow
account separate from all other accounts of the municipality. Any
interest earned shall be the property of the municipality. (A) If the
property is redeemed prior to the expiration of the redemption period,
the amount held in escrow shall, within ten days of the tax collector
receiving notice of redemption, be turned over to the purchaser. [Any
interest earned shall be the property of the municipality.] (B) If the
property is not redeemed in the redemption period, the amount held
in escrow may be used to pay the delinquent taxes, interest, penalties,
fees and costs on the same or any other property of the taxpayer,
including personal property and motor vehicles. In the case of
subparagraph (B) of this subdivision, the tax collector shall, within ten
days of the expiration of the redemption period, pay to the clerk of the
court for the judicial district in which the property is located the
amount held in escrow remaining after paying the delinquent taxes,
interest, fees, penalties and costs owed by the taxpayer to the
municipality. The tax collector shall, within five days of the payment,
provide notice to the delinquent taxpayer, any mortgagee, lienholder,
or other encumbrancer of record whose interest in such property is
choate and is affected by the sale, by certified mail, return receipt
requested of the name and address of the court to which the moneys were paid, the person's right to file an application with the court for return of said money, and the amount of money paid to the court.

(2) If the tax collector pays to the court any moneys pursuant to subparagraph (B) of subdivision (1) of this subsection, the delinquent taxpayer, any mortgagee, lienholder or other encumbrancer whose interest in such property is choate and is affected by the sale may, within ninety days of the date the tax collector paid the moneys to the court, file an application with the court for return of the proceeds. Any person may make an application for payment of moneys deposited in court as provided for in this subsection to the superior court for the judicial district in which the property that is the subject of the proceedings referred to is located, or if said court is not in session to any judge thereof, for a determination of the equity of the parties having an interest in such moneys. Notice of such application shall be served in the same manner as to commence a civil action on all persons having an interest of record in such property on the date the collector's deed is recorded, provided neither the purchaser nor the municipality shall [not] be a party to such action without [its] such purchaser's or municipality's consent. The court or judge upon such motion or upon its own motion may appoint a state referee to hear the facts and to make a determination of the equity of the parties in such moneys. Such referee, after providing at least ten days' notice to the parties interested of the time and place of hearing, shall hear the applicant and any parties interested, take such testimonies as such referee deems material and determine the equities of the parties having a record interest in such moneys and immediately report to the court or judge. The report shall contain a detailed statement of findings by the referee, sufficient to enable the court to determine the considerations upon which the referee based his conclusions. The report may be rejected for any irregular or improper conduct in the performance of the duties of such referee. If the report is rejected, the court or judge shall appoint another referee to make such determination and report. If the report is accepted, such determination of the equities shall be conclusive upon
all parties given notice of such hearing, subject to appeal to the Appellate Court. If no appeal to the Appellate Court is filed within the time allowed by law, or if one is filed and the proceedings have terminated in a final judgment determining the amount due to each party, the clerk shall send a certified copy of the statement of compensation and of the judgment to the prevailing party or parties, as the case may be, which shall, upon receipt thereof, pay such parties the amount due them as compensation.

(3) If no application is filed with the court, any moneys held by the court shall escheat to the state pursuant to the provisions of part III of chapter 32.

Sec. 6. Subsection (a) of section 12-158 of the general statutes is repealed and the following is substituted in lieu thereof (Effective October 1, 2015):

(a) The deed given by any collector for real estate sold by him for taxes shall be in substance in the form following:

Know all men by these presents, that, whereas the (here insert the name of the taxing authority) did on the .... day of ...., 20.., lay a tax on its grand list next to be (or last) perfected, a rate bill for which and for a personal tax (if such be the fact), in all respects made out according to law with a warrant thereto attached, was placed in my hands, I being the duly appointed and qualified collector thereof, for collection, which tax became due on the .... day of ...., 20.; and, whereas A.B., upon demand made, neglected and refused to pay the tax set opposite his name in said rate bill, and thereupon, on the .... day of ...., 20., I levied upon the parcel of real estate hereinafter described for that portion of said tax which was assessed thereon, to wit: $.... and accrued interest (or if the levy was for the whole tax, for the amount of said tax, to wit: $.... and accrued interest) and gave due notice thereof to said taxpayer and to .... as by law provided, which real estate so levied upon is situated in .... and bounded ...., and on the .... day of ...., 20., no one having previously tendered me said tax with interest and my fees,
in pursuance of said levy, and in accordance with the terms of said

of) said real estate of .... (to wit) to C.D., for the sum of $..... Now,
therefore, in consideration of the premises, and of said sum of money,
received to my full satisfaction, of said C.D., I hereby bargain and sell
unto him the premises last above described, with the appurtenances, to
have and to hold the same to him and his heirs forever, subject only to
taxes laid by such municipality which were not yet due and payable
when I first published notice of levy and sale and any other liens in
favor of such municipality or the state, easements, covenants and
restrictions in favor of other parcels of land, interests exempt from levy
and sale under the Constitution and laws of the United States and such
other interests, if any, hereinafter described, to wit .... And also, I, the
said collector, acting in the name of and for (name of municipality), do
by these presents bind (name of municipality), forever, to warrant and
defend the above granted and bargained premises to the said grantee,
his heirs and assigns, against all claims and demands arising from any
necessary act omitted or unlawful act done by me in connection with
the aforesaid levy or sale which impairs the same. In witness whereof I
have hereunto set my hand and seal this .... day of ...., 20...

E. F., (Seal).
Collector as aforesaid.

Sec. 7. Section 12-159 of the general statutes is repealed and the
following is substituted in lieu thereof (Effective October 1, 2015):

(a) Any deed, or the certified copy of the record of any deed,
purporting to be executed by a tax collector and similar, or in
substance similar, to the above, shall be prima facie evidence of a valid
title in the grantee to the premises therein purported to be conveyed,
encumbered only by the lien of taxes to the municipality which were
not yet due and payable on the date notice of levy was first made, easements and similar interests appurtenant to other properties not thereby conveyed, and other interests described therein and of the existence and regularity of all votes and acts necessary to the validity of the tax therein referred to, as the same was assessed, and of the levy and sale therefor, and no tax collector shall be required to make return upon his warrant of his doings thereunder, except that the purchaser may, within ninety days of the recording of the collector's deed, request in writing from the tax collector, an affidavit which complies with the provisions of section 12-167a. The tax collector shall provide such affidavit within thirty days of receipt of such request. The town clerk shall record such affidavit in the land records of such town and shall index the affidavit under the name of the purchaser as grantee. No act done or omitted relative to the assessment or collection of a tax, including everything connected therewith, after the vote of the community laying the same, up to and including the final collection thereof or sale of property therefor, shall in any way affect or impair the validity of such tax as assessed, collected or sought to be collected or the validity of such sale, unless the person seeking to enjoin or contesting the validity of such sale shows that the collector neglected to provide notice pursuant to section 12-157, as amended by this act, to such person or to the predecessors of such person in title, and who had a right to notice of such sale, and that the person or they in fact did not know of such sale within six months after it was made, and provided such property was by law liable to be sold to satisfy such tax. The fact that the collector may have charged or received illegal fees upon such sale shall not impair the sale's validity. If the person contesting such fees shows that illegal fees were charged by the collector, the municipality shall refund such illegal fees together with legal interest from the date of their payment in accordance with section 12-129.

(b) At any time after taking title, the purchaser may petition the Superior Court for the judicial district in which the property is located for summary confirmation of the validity of the sale, which petition shall include certified copies of the tax collector's affidavit identified in
subsection (a) of this section and the collector's deed identified in subsection (a) of section 12-158, as amended by this act. The court shall forthwith issue an order to show cause why such a judgment should not be entered, which order the purchaser shall serve upon the taxpayer and each mortgagee, lienholder, and other encumbrancers of record whose interest was choate and affected by the sale in a manner most reasonably calculated to give notice to the same, as determined by such court. The municipality shall not be a party to such action without its consent. A hearing shall be held on such order not later than forty-five days after its issuance or the first court day thereafter. Except upon proof of fraud by clear and convincing evidence, the court shall enter judgment quieting title in favor of the purchaser, unless the court finds that: (1) The limitation period in section 12-159b, as amended by this act, has not yet expired, and (2) an act done or omitted relative to the sale would have entitled the taxpayer or mortgagee, lienholder, or other encumbrancer to enjoin the sale under subsection (a) of this section. The purchaser may file the judgment in the land records of the town in which the property is located, which recording shall be deemed conclusive as to the deed's validity. Any judgment other than one quieting title in favor of the purchaser shall include an award to the purchaser of all relief provided in section 12-159a and, as the court deems equitable, disbursement of any funds deposited with the court in accordance with section 12-157, as amended by this act.

Sec. 8. Section 12-159b of the general statutes is repealed and the following is substituted in lieu thereof (Effective October 1, 2015, and applicable to assessment years commencing on or after October 1, 2015):

No action alleging the invalidity of a collector's deed, substantially, in the form provided in section 12-158, on any grounds other than fraud, shall be brought by any person except within one year from the date the collector's deed was recorded, [or from the date of the sale, whichever is longer.]
