175 as provided in subdivision (1) of this subsection, the voters shall fix the  
176 date of the annual meeting of the voters for the election of the board of  
177 directors and officers for the district and the transaction of such other  
178 business as may properly come before such annual meeting. At such  
179 organizational meeting of the district, the voters shall elect four  
180 directors. The four directors first elected shall be designated to serve  
181 terms of one, two, three and four years, respectively, and the directors  
182 elected thereafter shall serve for terms of four years. Upon its

201 application. Notice of the holding of the annual meeting and all special  
202 meetings shall be given by publication of a notice of such meetings in a  
203 newspaper having a general circulation in such district at least ten  
204 days before the day of such meetings, signed by the president or any

212 thereafter, on a day to be set by the district meeting or, if the district  
213 meeting does not set a date, by the board of directors, for a vote by  
214 paper ballots or by a "yes" or "no" vote on the voting machines, during  
215 the hours between twelve o'clock noon and eight o'clock p.m., except

217 earlier hour for opening the polls but not earlier than six o'clock a.m.

218 The paper ballots or voting machine ballot labels, as the case may be,  
219 shall be provided by the clerk. When such a petition has been filed  
220 with the clerk, the president, after completion of other business and  
221 after reasonable discussion shall adjourn such meeting and order such  
222 vote on such item or items in accordance with the petition, and any  
223 item so voted may be rescinded in the same manner. The clerk shall  
224 phrase such item or items in a form suitable for printing on such paper  
225 ballots or ballot labels. Subject to the provisions of subdivision (4) of  
226 this subsection, (i) not fewer than fifteen voters of the district shall  
227 constitute a quorum for the transaction of business at any meeting of  
228 the district; (ii) if fifteen voters are not present at such meeting, the  
229 president of the district or, in such president's absence, the vice-  
230 president, may adjourn such meeting from time to time, until at least  
231 fifteen voters are present; and (iii) all meetings of the district where a  
232 quorum is present may be adjourned from time to time by a vote of a

236 undertake any additional purpose or purposes enumerated in  
237 subdivision (2) of this subsection.

238 (4) (A) A quorum for the transaction of business at the meeting  
239 called for the purpose of establishing the district, as provided in  
240 subdivisions (1) and (3) of this subsection, shall be either fifteen voters  
241 of such district or a majority of the holders of record of interests in real  
242 property within such district, as long as the assessments of such  
243 holders of record constitute more than one-half of the total of  
244 assessments for all interests in real property within such district. If  
245 fifteen voters or a majority of the holders of record of interests in real  
246 property within such district are not present at such meeting or the  
247 assessments of such holders of record constitute less than one-half of  
248 the total of assessments for all interests in real property within such  
249 district, the selectmen may adjourn such meeting, from time to time,  
250 until at least fifteen voters or a majority of the holders of record of

251 interests in real property within such district are present and the  
252 assessments of such holders of record constitute more than one-half of  
253 the total of assessments for all interests in real property within such  
254 district.

255 (B) For the transaction of business at any other meeting of the  
256 district, a quorum shall be either fifteen voters of the district or a

258 such district, as long as the assessments for such holders of record  
259 constitute more than one-half of the total of assessments for all  
260 interests in real property within such district. If fifteen voters or a  
261 majority of the holders of record of interests in real property within  
262 such district are not present at such meeting or the assessments of such  
263 holders of record constitute less than one-half of the total assessments  
264 for all interests in real property within such district, the president of  
265 the district or, in such president's absence, the vice-president, may  
266 adjourn such meeting, from time to time, until at least fifteen voters or  
267 a majority of the holders of record of interests in real property within  
268 such district are present and the assessments of such holders of record  
269 constitute more than one-half of the total of assessments for all  
270 interests in real property within such district. All actions, resolutions  
271 and proceedings at any annual or special meeting of the district where  
272 a quorum is present shall require a majority vote of (i) the voters  
273 present and voting, and (ii) the property owners representing at least  
274 one-half of the assessments of holders of record of a fee simple interest  
275 in real property within the district, present and voting.

276 (5) In any case in which an action for a vote by the voters of the  
277 district is to be initiated by the petition of such voters, in addition to  
278 such other requirements as the general statutes or any special act may  
279 impose, such petition shall be on a form prescribed or approved by the  
280 clerk of such district, and each page of such petition shall contain a  
281 statement, signed under penalties of false statement, by the person  
282 who circulated the same, setting forth such circulator's name and  
283 address, and stating that each person whose name appears on said

284 page signed the same in person in the presence of such circulator, that  
285 the circulator either knows each such signer or that the signer  
286 satisfactorily identified himself to the circulator and that all the  
287 signatures on said page were obtained not earlier than six months  
288 prior to the filing of said petition. Any page of a petition that does not  
289 contain such a statement by the circulator shall be invalid. Any  
290 circulator who makes a false statement in the statement hereinbefore  
291 provided shall be subject to the penalty provided for false statement.  
292 No petition shall be valid for any action for a vote by the voters at any  
293 regular or special district meeting unless such petition shall be  
294 circulated by a voter eligible to vote in such district.

295 (c) Whenever the officers of such district vote to terminate its  
296 corporate existence and whenever a petition signed by ten per cent of  
297 the total voters of such district or twenty of the voters of such district,  
298 whichever is less, applying for a special meeting to vote on the  
299 termination of the district is received by the clerk, the clerk shall call a

305 may petition the clerk of the district, in writing, that a referendum on  
306 the question of whether the district should be terminated be held in the  
307 manner provided in section 7-327 of the general statutes. If, at such  
308 meeting, a two-thirds majority of the voters present vote to terminate  
309 the corporate existence of the district, or, if a referendum is held, two-  
310 thirds of the voters casting votes in such referendum vote to terminate  
311 the corporate existence of the district, the officers shall proceed to  
312 terminate the affairs of such district. The district shall pay all  
313 outstanding indebtedness and turn over the balance of the assets of  
314 such district to the town of North Haven, if the legislative body of the  
315 town authorizes such action. No district shall be terminated under this  
316 subsection until all of its outstanding indebtedness is paid unless the

317 legislative body of the town of North Haven agrees, in writing, to  
318 assume such indebtedness. On completion of the duties of the officers  
319 of such district, the clerk shall cause a certificate of the vote of such  
320 meeting to be recorded in the land records of the town of North Haven  
321 and the clerk shall notify the Secretary of the Office of Policy and

327 each such tenant owned an equal fractional share of such real  
328 property. A corporation shall have its vote cast by the chief executive  
329 officer of such corporation, or such officer's designee. Any entity that is  
330 not a corporation shall have its vote cast by a person authorized by  
331 such entity to cast its vote. An owner shall be entitled to cast one vote,  
332 or a fractional vote, as applicable, for each property that it owns within  
333 the district.

334 (2) No holder of record of a fee simple interest in real property shall  
335 be precluded from participating in any district meeting or referendum  
336 because of the form of entity that holds such interest, whether such  
337 holder of record is (A) a corporation, partnership, unincorporated  
338 association, trustee, fiduciary, guardian, conservator or other form of  
339 entity, or any combination thereof, or (B) an individual who holds  
340 interests jointly or in common with another individual or individuals,  
341 or with any one or more of the entities listed in subparagraph (A) of  
342 this subdivision.

343 (e) Notwithstanding any provision of the general statutes, including  
344 sections 7-324 to 7-329, inclusive, of the general statutes, the district  
345 shall have the power to assess, levy and collect benefit assessments  
346 upon the land and buildings in the district that, in its judgment, are  
347 benefited by the improvements.

348 (f) (1) Notwithstanding any provision of the general statutes,  
349 including sections 7-324 to 7-329, inclusive, of the general statutes, the  
350 district shall have the power to fix, revise, charge, collect, abate and  
351 forgive reasonable taxes, fees, rents and benefit assessments, and other  
352 charges for the cost of the improvements, financing costs, operating  
353 expenses and other services and commodities furnished or supplied to  
354 the real property in the district in accordance with the applicable  
355 provisions of the general statutes that apply to districts established  
356 under section 7-325 of the general statutes, and this section and in the  
357 manner prescribed by the district. Notwithstanding any provision of  
358 the general statutes, the district may make grants for, or pay the entire  
359 cost of any improvements, including the costs of financing such  
360 improvements, capitalized interest and the funding of any reserve  
361 funds necessary to secure such financing or the debt service of bonds  
362 or notes issued to finance such costs, from taxes, fees, rents, benefit  
363 assessments or other revenues and may assess, levy and collect said  
364 taxes, fees, rents or benefit assessments concurrently with the issuance  
365 of bonds, notes or other obligations to finance such improvements  
366 based on the estimated cost of the improvements prior to the  
367 acquisition or construction of the improvements or upon the  
368 completion or acquisition of the improvements. The district and the  
369 town of North Haven are authorized to enter into an agreement to  
370 share revenue in accordance with section 7-148bb of the general  
371 statutes.

372 (2) Notwithstanding any provision of the general statutes, whenever  
373 the district or the town constructs, improves, extends, equips,  
374 rehabilitates, repairs, acquires or provides a grant for any  
375 improvements or finances the cost of such improvements, such  
376 proportion of the cost or estimated cost of the improvements and  
377 financing thereof, as determined by the district, may be assessed by the  
378 district, herein referred to as "benefit assessments", in the manner  
379 prescribed by such district, upon the property benefited by such  
380 improvements and the balance of such costs shall be paid from the

381 general funds of the district. The district may provide for the payment  
382 of such benefit assessments in annual installments, not exceeding  
383 thirty, and may forgive such benefit assessments in any single year  
384 without causing the remainder of installments of benefit assessments  
385 to be forgiven. Benefit assessments to buildings or structures  
386 constructed or expanded after the initial benefit assessment may be  
387 assessed as if the new or expanded buildings or structures had existed  
388 at the time of the original benefit assessment. It is hereby determined  
389 that the costs of the improvements benefiting the district whether  
390 located within the district or in the town of North Haven are a benefit  
391 to all the property within the district.

392 (3) In order to provide for the collection and enforcement of its  
393 taxes, fees, rents, benefit assessments and other charges, the district is  
394 hereby granted all the powers and privileges with respect thereto as  
395 districts organized pursuant to section 7-325 of the general statutes,  
396 and as held by the town of North Haven or as otherwise provided in  
397 this section. Such taxes, fees, rents or benefit assessments, if not paid  
398 when due, shall constitute a lien upon the premises served and a  
399 charge against the owners thereof, which lien and charge shall bear  
400 interest at the same rate as delinquent property taxes. Each such lien  
401 may be continued, recorded and released in the manner provided for  
402 property tax liens in chapter 12 of the general statutes and shall take  
403 precedence over all other liens or encumbrances except a lien for taxes  
404 of the town of North Haven.

405 (4) The budget, taxes, fees, rents, benefit assessments and any other  
406 charges of the district of general application shall be adopted and  
407 revised by the board of directors at least annually not more than thirty  
408 days before the beginning of the fiscal year, in accordance with the  
409 procedures to be established by the board, at a meeting called by the  
410 board, ensuring that interested persons are afforded notice and an  
411 opportunity to be heard. The board shall hold at least two public  
412 hearings on its schedule of fees, rates, rents, benefit assessments and  
413 other charges or any revision thereof before adoption, notice of which

414 shall be delivered to the selectmen of the town of North Haven and be  
415 published in at least two newspapers of general circulation in the town  
416 of North Haven at least ten days in advance of the hearing. Not later  
417 than the date of the publication, the board shall make available to the  
418 public and deliver to the selectmen of the town of North Haven the  
419 proposed schedule of fees, rates, rents, benefit assessments and other  
420 charges. The procedures regarding public hearing and appeal,  
421 provided by section 7-250 of the general statutes, shall apply for all  
422 benefit assessments made by the district, except that the board shall be  
423 substituted for the water pollution control authority. Should the  
424 benefit assessments be assessed and levied prior to the acquisition or  
425 construction of the improvements, then the amount of the benefit  
426 assessments shall be adjusted to reflect the actual cost of the  
427 improvements, including all financing costs, once the improvements  
428 have been completed, should the actual cost be greater than or less  
429 than the estimated costs. Benefit assessments shall be due and payable  
430 at such times as are fixed by the board, provided the district shall give  
431 notice of such due date not less than thirty days prior to such due date  
432 by publication in a newspaper of general circulation in the town of  
433 North Haven and by mailing such notice to the owners of the property  
434 assessed at their last-known address.

435 (g) (1) Notwithstanding any provision of the general statutes,  
436 including sections 7-324 to 7-329, inclusive, of the general statutes,  
437 whenever the district has authorized the acquisition or construction of  
438 the improvements or has made an appropriation therefor, the district  
439 may authorize the issuance of bonds, notes or other obligations to  
440 finance the cost of the improvements, the creation and maintenance of  
441 reserves required to sell the bonds and the cost of issuance of the  
442 bonds, provided no bonds shall be issued prior to the district entering  
443 into an interlocal agreement with the town of North Haven, in  
444 accordance with the procedures provided by section 7-339c of the  
445 general statutes, including at least one public hearing on the proposed  
446 agreement and ratification by the legislative body of the town of North

447 Haven. The bonds may be secured as to principal or interest by (A) the  
448 full faith and credit of the district, (B) fees, revenues or benefit  
449 assessments, or (C) a combination of subparagraphs (A) and (B) of this  
450 subdivision. Such bonds shall be authorized by resolution of the board  
451 of directors. The district is authorized to secure such bonds by the full  
452 faith and credit of the district or by a pledge of or lien on all or part of  
453 its revenues, fees or benefit assessments. The bonds of each issue shall  
454 be dated, shall bear interest at the rates and shall mature at the time or  
455 times not exceeding thirty years from their date or dates, as  
456 determined by the board, and may be redeemable before maturity, at  
457 the option of the board, at the price or prices and under the terms and  
458 conditions fixed by the board before the issuance of the bonds. The  
459 board shall determine the form of the bonds, and the manner of  
460 execution of the bonds, and shall fix the denomination of the bonds  
461 and the place or places of payment of principal and interest, which  
462 may be at any bank or trust company within the state of Connecticut  
463 and other locations as designated by the board. In case any officer  
464 whose signature or a facsimile of whose signature shall appear on any  
465 bonds or coupons shall cease to be an officer before the delivery of the  
466 bonds, the signature or facsimile shall nevertheless be valid and  
467 sufficient for all purposes the same as if the officer had remained in  
468 office until the delivery.

469 (2) While any bonds issued by the district remain outstanding, the  
470 powers, duties or existence of the district shall not be diminished or  
471 impaired in any way that will affect adversely the interests and rights  
472 of the holders of the bonds. Bonds issued under this section, unless  
473 otherwise authorized by law, shall not be considered to constitute a  
474 debt of the state of Connecticut or the town of North Haven, or a  
475 pledge of the full faith and credit of the state of Connecticut or the  
476 town of North Haven, but the bonds shall be payable solely by the  
477 district or as special obligations payable from particular district  
478 revenues. Any bonds issued by the district shall contain on their face a  
479 statement to the effect that neither the state of Connecticut nor the

480 town of North Haven shall be obliged to pay the principal of or the  
481 interest thereon, and that neither the full faith and credit or taxing  
482 power of the state of Connecticut nor the town of North Haven is  
483 pledged to the payment of the bonds. All bonds issued under this  
484 section shall have and are hereby declared to have all the qualities and  
485 incidents of negotiable instruments, as provided in title 42a of the  
486 general statutes.

487 (h) (1) The board of directors may authorize that the bonds be  
488 secured by a trust agreement by and between the district and a  
489 corporate trustee, which may be any trust company or bank having the  
490 powers of a trust company within the state of Connecticut. The trust  
491 agreement may pledge or assign the revenues. Either the resolution  
492 providing for the issuance of bonds or the trust agreement may contain  
493 covenants or provisions for protecting and enforcing the rights and  
494 remedies of the bondholders as may be necessary, reasonable or  
495 appropriate and not in violation of law.

496 (2) All expenses incurred in carrying out the trust agreement may be  
497 treated as a part of the cost of the operation of the district. (A) The  
498 pledge by any trust agreement or resolution shall be valid and binding  
499 from time to time when the pledge is made; (B) the revenues or other  
500 moneys so pledged and then held or thereafter received by the board  
501 shall immediately be subject to the lien of the pledge without any  
502 physical delivery thereof or further act; and (C) the lien of the pledge  
503 shall be valid and binding as against all parties having claims of any  
504 kind in tort, contract or otherwise against the district, irrespective of  
505 whether the parties have notice thereof. Notwithstanding any  
506 provision of the Uniform Commercial Code, neither this subsection,  
507 the resolution or any trust agreement by which a pledge is created  
508 need be filed or recorded except in the records of the district, and no  
509 filing need be made under title 42a of the general statutes.

510 (i) (1) Bonds issued under this section are hereby made securities in  
511 which all public officers and public bodies of the state of Connecticut

512 and its political subdivisions, all insurance companies, trust  
513 companies, banking associations, investment companies, executors,  
514 administrators, trustees and other fiduciaries may properly and legally  
515 invest funds, including capital in their control and belonging to them;  
516 and (2) such bonds shall be securities that may properly and legally be  
517 deposited with and received by any state or municipal officer or any  
518 agency or political subdivision of the state of Connecticut for any  
519 purpose for which the deposit of bonds of the state of Connecticut is  
520 now or may hereafter be authorized by law.

521 (j) Bonds may be issued under this section without obtaining the  
522 consent of the state of Connecticut or the town of North Haven, and  
523 without any proceedings or the happening of any other conditions or  
524 things other than those proceedings, conditions or things that are  
525 specifically required thereof by this section, and the validity of and  
526 security for any bonds issued by the district shall not be affected by the  
527 existence or nonexistence of the consent or other proceedings,  
528 conditions or things.

529 (k) The district and all its receipts, revenues, income and real and  
530 personal property shall be exempt from taxation and benefit  
531 assessments and the district shall not be required to pay any tax, excise  
532 or assessment to or from the state of Connecticut or any of its political  
533 subdivisions. The principal and interest on bonds or notes issued by  
534 the district shall be free from taxation at all times, except for estate and  
535 gift, franchise and excise taxes, imposed by the state of Connecticut or  
536 any political subdivision thereof, provided nothing in this section shall  
537 act to limit or restrict the ability of the state of Connecticut or the town  
538 of North Haven to tax the individuals and companies, or their real or  
539 personal property or any person living or business operating within  
540 the boundaries of the district.

541 (l) The district shall at all times keep accounts of its receipts,  
542 expenditures, disbursements, assets and liabilities, which shall be open  
543 to inspection by duly appointed officers or duly appointed agents of

544 the state of Connecticut or the town of North Haven. The fiscal year of  
545 the district shall begin on July first and end on the following June  
546 thirtieth or as otherwise established by section 7-327 of the general  
547 statutes. The district shall be subject to an audit of its accounts in the  
548 manner provided in the general statutes.

549 (m) (1) At such time as any construction or development activity  
550 financed by bonds issued by the district is taking place, the clerk of the  
551 district shall submit project activity reports quarterly to the selectmen  
552 of the town of North Haven, the Secretary of the Office of Policy and  
553 Management and to the chairpersons of the joint standing committee  
554 of the General Assembly having cognizance of matters relating to  
555 finance, revenue and bonding.

556 (2) The district shall take affirmative steps to provide for the full  
557 disclosure of information relating to the public financing and  
558 maintenance of improvements to real property undertaken by the  
559 district. Such information shall be provided to any existing residents  
560 and to all prospective residents of the district. The district shall furnish  
561 each developer of a residential development within the district with  
562 sufficient copies of such information to provide each prospective initial  
563 purchaser of property in such district with a copy, and any developer  
564 of a residential development within the district, when required by law  
565 to provide a public offering statement, shall include a copy of such  
566 information relating to the public financing and maintenance of  
567 improvements in the public offering statement.

568 (n) (1) This section shall be deemed to provide an additional,  
569 alternative and complete method of accomplishing the purposes of this  
570 section and exercising the powers authorized hereby and shall be  
571 deemed and construed to be supplemental and additional to, and not  
572 in derogation of, powers conferred upon the district by law and  
573 particularly by sections 7-324 to 7-329, inclusive, of the general  
574 statutes, provided insofar as the proceedings of this section are  
575 inconsistent with any general statute or special act, or any resolution or

576 ordinance of the town of North Haven, this section shall be controlling.

577 (2) Except as specifically provided in this section, all other statutes,  
578 ordinances, resolutions, rules and regulations of the state of  
579 Connecticut and the town of North Haven shall be applicable to the  
580 property, residents and businesses located in the district. Nothing in  
581 this section shall in any way obligate the town of North Haven to pay  
582 any costs for the acquisition, construction, equipping or operation and  
583 administration of the improvements located within the district or to  
584 pledge any money or taxes to pay debt service on bonds issued by the  
585 district except as may be agreed to in any interlocal agreements  
586 executed by the town of North Haven and the district.

587 (o) At the option of the town of North Haven by vote of the  
588 legislative body, the district shall be merged into the town of North  
589 Haven if no bonds are issued by the district not later than four years  
590 after the effective date of this section or after the bonds authorized by  
591 this section are no longer outstanding and any property that is owned  
592 by the district shall be distributed to the town of North Haven.

593 (p) This section, being necessary for the welfare of the town of  
594 North Haven and its inhabitants, shall be liberally construed to effect  
595 the purposes hereof.

This act shall take effect as follows and shall amend the following sections:
