

General Assembly

January Session, 2015

Raised Bill No. 6985

LCO No. 4798

Referred to Committee on ENERGY AND TECHNOLOGY

Introduced by:
(ET)

AN ACT INCREASING NATURAL GAS TRANSPORTATION CAPACITY.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

1 Section 1. (NEW) (*Effective October 1, 2015*) An electric distribution
2 company may enter into a long-term contract for the purchase of
3 natural gas transportation capacity for the benefit of electric
4 distribution company customers. Such contract shall be submitted to
5 the Public Utilities Regulatory Authority for its review and approval.
6 The net benefits received or costs incurred by the electric distribution
7 company as a result of such contract shall be either distributed to or
8 recovered from all customers of the contracting electric distribution
9 company through the federally mandated congestion charge as
10 defined in section 16-1 of the general statutes.

This act shall take effect as follows and shall amend the following sections:

Section 1	<i>October 1, 2015</i>	New section
-----------	------------------------	-------------

Statement of Purpose:

To authorize electric distribution companies to enter into long-term contracts for the purchase of natural gas transportation capacity.
