

Dear State Sen. Kelly and Fellow CT Transportation Committee Members:

I am deeply opposed to CT House Bill 6818 and/or other new legislation that would place highway/border tolls back on our state's roads. We need new additional sources of revenue to help keep our state's infrastructure afloat in an already overtaxed and financially inadequate system.

Thank you for taking the time to hear me express my views on this pending legislation, and God Bless America.

**Yours Truly,**
