

To whom it may concern:

My name is Joanna Dewey, I live on 9 Pound Sweet Hill on Bethel, CT. I am writing to express my strong opposition to any future legislation which would support the uprising of tolls on CT borders.

I am a law-abiding tax-paying citizen, raising my family in CT which is already the 11th most expensive state to live in. We are ALREADY over-taxed. And while tolls may bring in more money, I believe that electing officials who are willing to cut spending and balance budgets is a far more effective approach.

Thank you for your time,
Joanna Dewey
