

Public Hearing, State of Ct.

Border tolls would discriminate against Connecticut residents who live near a state line, including thousands of Greater Danbury residents.

Further, it is another form of taxation on residents, in a state overtaxed and losing population.

Tolls( even if electronic) slow traffic. Truckers already are taxed as state requires them to pay a tax for road use even if they don't buy fuel in Ct.

I am against this bad idea.
