

I am submitting this written testimony in support of HB5934, AAC Naming Part of Rote 63 in Honor of Guy Buzzannco.

As a Parent Teacher Organization member, I've had the wonderful opportunity to work with Guy on many school related topics. His dedication, compassion, and ambition to the students and teachers of Watertown have always been admirable. Guy's efforts to create a progressive learning environment for our students never went unnoticed. His unselfish acts will forever be remembered throughout our community for a long time to come. I can't think of a more deserving person to receive such an honor!

Thank-You,
Cathie Rinaldi
