

Dear State Sen. Kelly and Fellow CT Appropriations Committee Members:

I am deeply opposed to CT House Bill 6824 and/or other new legislation that would cut much-needed funding for essential programs serving our state's most vulnerable populations, especially the elderly and disabled. We need to reconsider how our state allocates every aspect of its budget so that we can be on stronger fiscal footing in the months and years to come.

Thank you for taking the time to hear me express my views on this pending legislation, and God Bless America.

Yours Truly,

Mr. Jamie C. Quaranta
