

To Whom It May Concern,

Hi, my name is Aurora G. Moral, mother of three kids and lives in Milford, CT. I'm writing to let the committee knows that we need programs like PLTI (Parents Leadership Training Institute) to continue in our community. I am currently in the program and it opened my eyes to a lot of opportunities to help and reach out in the community. Please make sure such program will not be removed because the information and the training given in the Program will create needed projects for our community. It is very inspiring and empowering!

Thank you so much.

Sincerely,
Aurora G. Moral
PLTI participant
Milford, CT
