

Dear Senator Bye, Representative Walker, Senator Slossberg, Representative Fleischmann, and members of the Secondary Education Sub-committee:

My name is Stephanie Bogazis

This is for the Testimony for March 3rd, 2015 at 5:00 pm for the Appropriations Secondary Education Sub-committee.

I would just like to reflect on how great my experience with the peer education program at Bristol Youth Services has been. I have always enjoyed attending the peer education program. I learned lots of useful information that I could relate with and use to help my fellow peers. I also enjoyed being around everyone who attended as well as the counselors. They displayed a tremendous amount of kindness and made me feel welcome whenever I came to the meetings. I also made many connections with people as well as new friendships. I feel as though this program has helped me grow tremendously as a person and hope that many other students like myself will be able to attend and get back the same experience.

Sincerely,
Stephanie Bogazis
