

To Whom It May Concern,

My name is Heather Cartier and I am a B23 occupational therapist with over 10 years experience working with young children with delays.

I am concerned about the changes in Birth to Three. I think a change in the Lead Agency and a change in billing practices for Medicaid is too much. Medicaid billing will place enormous burdens on the provider community. This will impact on the quality and reliability of the valuable services that Birth to Three provides to the vulnerable children of CT.

I beg you to find an alternative for Medicaid billing that will ensure the continuity of excellent services and supports for Connecticut's children and families. Please contact me with any questions at hcartier@sarah-inc.org.

Please deeply consider the impact that your choices will have on many needy children here in Connecticut.

Respectfully,
Heather H Cartier MA OTR/L
