

Birth to Three Opposition,

My name is Laura Gilbert, a resident of Northford, CT. and I am an Early Intervention Therapist with SARAH, Inc. KIDSTEPS Birth to Three Program.

I am concerned about the changes in Birth to Three. A change in the Lead Agency and a change in billing practices for Medicaid will place enormous burdens on the provider community. This will negatively impact the quality, availability and reliability of the valuable services that Birth to Three provides to the vulnerable children of CT.

I ask you to find an alternative for the Medicaid billing that will ensure the continuity of excellent service and support for Connecticut's children and families.

Please contact me with any questions at 203-915-7389.

Respectfully,

Laura Gilbert
