

To whom it may concern:

I have been involved with the "Warm The Children" program through the Old Saybrook Lion's Club for several years. It has been a heart warming experience to go to our local Walmart and meet the parents and children as they shop for warm clothing, which without this program would be very difficult for these parents to afford on their own. The smiles and thank you make this time of the year very special. I certainly hope the sales tax exemption for non-profit organizations, such as this, is not eliminated.

Sincerely Yours,

Fern C. Tryon-Old Saybrook Lions Club
